YOUR TRUSTED COLLECTION JUST GOT BETTER

TREADMILL

**ELLIPTICAL
CROSS-TRAINER**

**LIFECYCLE
UPRIGHT BIKE**

**LIFECYCLE
RECUMBENT BIKE**

- Sleek design creates an inviting and consistent look that is both aesthetically pleasing and functionally practical.
- Brushed stainless steel vent details provide a premium look.
- Premium finish is chemical, stain and corrosion resistant.
- Quick-release removable shrouds allow for easy internal access and simple serviceability.

Life Fitness

MODERN. SIMPLE. SLEEK.

Continuous innovation and improvement ensures that this cardio series remains the trusted workhorse on the floors of the best fitness facilities around the world.

LifeFitness

1

INTEGRITY TREADMILLS

1. Swing free area near the console provides more room for runners and walkers.
2. A low step-up height of just 8" (20cm) and a 22" (56cm)-wide running surface are inviting to both experienced runners and new exercisers.

2

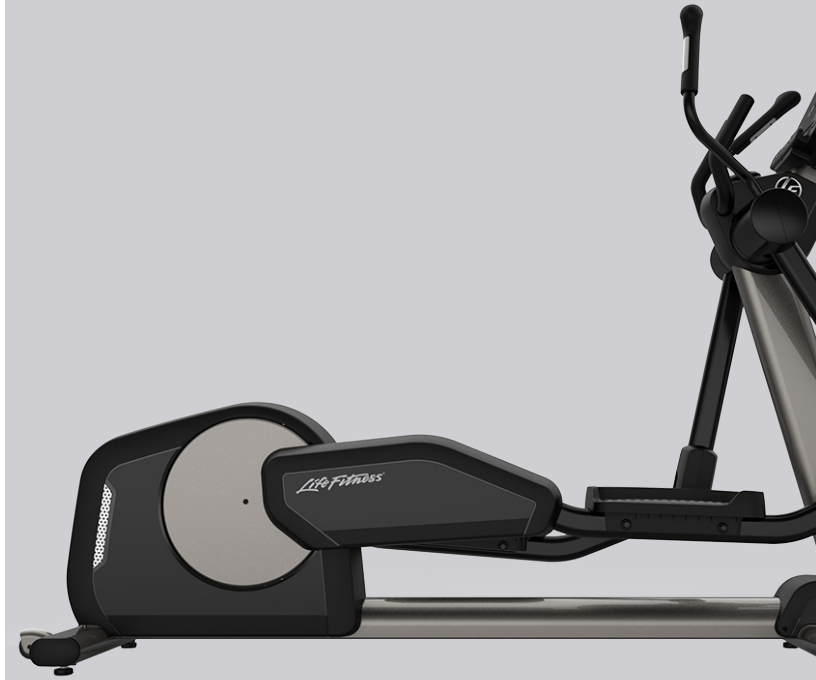

Life Fitness

INTEGRITY CROSS-TRAINERS

1. The stride has a smooth and fluid motion developed from years of research, and enough knee clearance for taller exercisers.
2. Multi-grip design lets exercisers choose how to position their hands.
3. Large pedals have FlexForm™ rounded design to enhance comfort. The non-slip surfaces of the pedals are easy to clean.

3

INTEGRITY LIFECYCLE BIKES

1. Easy adjustments for a fine-tuned and ergonomically sound seat position.
2. Step-through design on the recumbent bike provides easy entry and exit for exercisers of any fitness level.
3. Wide pedals with simple buckle straps allow exercisers to get on and go.

Standard wireless connection allows for software updates, easy asset management and access to proactive equipment monitoring. Exercisers can connect through standard NFC and Bluetooth®.

LifeFitness

DISCOVER SE3 HD CONSOLE

Intuitive interaction and access to entertainment like TV and popular apps create engagement for any exerciser.

- Screen size of 21" (53 cm) for treadmills or 16" (41 cm) for all other cardio equipment
- Integrated 1080p TV and streaming video and audio services like Netflix™, Hulu™ and Pandora®
- Includes scenic Lifescape™ courses and RunSocial™, which allows users to exercise with friends or other exercisers
- Proximity Bluetooth® and NFC login make it easy for exercisers connect headphones, heart rate devices and other devices to the console
- Standard wireless connection allows for console customization including home screen images, unique on-console workouts, TV channel selection and more.

Life Fitness

DISCOVER ST CONSOLE

Offers entertainment provided by an integrated high-definition TV and simple exerciser interaction through an intuitive touch screen.

- Screen size of 21" (53 cm) for treadmills or 16" (41 cm) for all other cardio equipment
- Touch screen interaction allows for exercisers to quickly choose workouts, TV channels and more
- Customizable console screen helps bolster a facility's brand

LifeFitness

INTEGRITY X CONSOLE

Features a clean look and intuitive 7" touchscreen. The console is advanced, but easy to use. It offers workouts as well as Bluetooth® and NFC connection to keep exercisers engaged.

- Trending workout uploads from Life Fitness Academy
- Easy software updates
- Exercisers can log in to track progress and explore workouts

LifeFitness

INTEGRITY C CONSOLE

This console offers simplicity for exercisers who just want to get on and go. The large LED and straightforward display make navigation easy.

- Simple, intuitive navigation
- Four distinct workouts for all exercisers

LifeFitness

INTEGRITY COMES FROM WITHIN

The Integrity Series is rooted in more than 20 years of reliability and innovation.

Our industry leading engineers and industrial designers have listened to what features and functions provide a consistent and captivating workout experience. By pairing the Life Fitness culture of reliability and innovation with insights from exercisers, the Integrity Series shows what it's made of.
