ENTERTAINMENT AND INTERACTION

Integrated 1080p HD TV takes the exerciser's mind off of the miles. Lifescape interactive courses (shown) allow users to immerse themselves in a workout.

21.5" HD Touch Screen

INTERVAL TRAINING MADE EASY

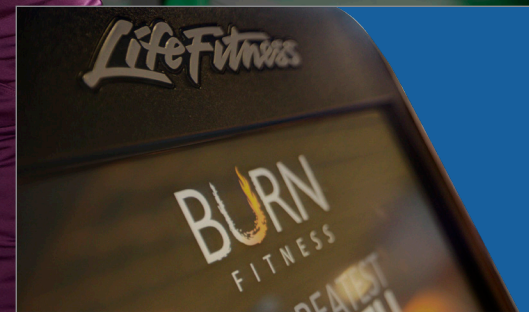

Performance Run view makes it easy for exercisers to benefit from interval workouts. Speed and incline changes happen with just one touch on the screen.

CONNECTED CARDIO

Discover ST consoles are an essential piece of the Life Fitness digital management ecosystem. Our solutions include proactive service, statistics, software updates, compatibility with fitness apps and wearables, and the ability to customize how your exercisers interact with the facility. These assets work seamlessly together to create a consistently delightful experience for each customer.
